

January 4, 2010

To "Spherion Orlando Citrus Parade" fans:

Due to a technical error last night, KCWI-TV was unable to televise in entirety the 2010 "Spherion Orlando Citrus Parade".

We have rescheduled the entire parade to be televised tonight, January 4, at 11PM and again Sunday, January 10 at 6PM.

Coverage of the 2010 "Spherion Orlando Citrus Parade" includes Des Moines' own Shawn Johnson interviewing parade participants and overhead shots and close-ups of the Waukee High School Marching Band.

I hope you have an opportunity to watch the parade and I apologize for the technical problems last night.

Sincerely,
Ted Stephens
VP/General Manager
